Get Connected We assist parents through encouragement, leadership, and training. Cada familia necesitará también tenet la Guía de Fundamentos 5ta Edition en inglés. Recommendations for New Families If you are joining CC for the first time for Cycle 3, we offer these suggestions to maximize the value of your purchased resources: Consult the list above before buying resources for 2017-2018. Memory Work is not included. Subjects Education Curriculum Books Booklist Support As many of you already know, Classical Conversations Inc. Unlike previous updates to the Foundations guide, the 5th Edition changes will render all other editions of the Guide obsolete. The staff should be versed in which resources will be upgraded. El Suplemento en idioma español es un texto de acompañamiento y hará referencia a las páginas del trabajo de memorización que se encuentra en la Guía de Fundamentos 4ta Edición en inglés. If an item is scheduled to be updated, you may wish to wait until the new version is available. To find available materials locally, check out our Used Curriculum Forum. Because our foremost desire is to equip parents to be great educators at home, we offer training opportunities through parent conferences, daily articles, and online resources. Sin embargo, el Suplemento todavía se puede utilizar para explicar y presentar la Guía de Fundamentos 5ta Edición. Find Event Visit our Classical Conversations Bookstore to purchase a variety of curriculum and resources in available languages. Besides containing helpful information for families just beginning the homeschool journey, the curriculum includes week-by-week, subject-by-subject outlines for all memory work in each cycle, including maps for geography, related science activities, fine arts activities, and presentation guidelines. Now parents can teach more confidently at home and participate more fully in community with a fuller knowledge of the classical model of education; the mission, model and method of Classical Conversations; and the why and how of the Foundations program. Ahora los padres pueden enseñar con más confianza en el hogar y participar más plenamente en la comunidad con un conocimiento más completo del modelo clásico de educación; la misión, modelo y el método de Classical Conversations; y el por qué y cómo del programa de Fundamentos. Buy a 4th Edition Foundations Guide from the CC Bookstore and you will receive a \$25 discount off your purchase of the 5th Edition. We currently have a collection of Spanish materials available on the Internaticio section of our bookstore website. Due to resource constraints, we currently have a limited selection of materials available in Spanish. Still have questions? Foundations Guide Spanish Supplement Designed for parents of children in the Foundations program for whom Spanish is their primary language, this text contains specially selected content translated into Spanish from the English Foundations Guide 4th Edition. Each family will also need to have the English 5th Edition Foundations Guide. The Spanish Language Supplement is a companion text and will reference the memory work pages that are in the English Foundations Guide 4th Edition. Fifth Edition changes will also impact some ancillary products, such as the audio CDs, flashcards, etc. However, the Supplement can still be used to explain and introduce the 5th Edition curriculum.
