I remember when we were waiting for the arrival of our first baby: we were so happy and eager at the same time. And one of the things we found to be quite stressful was to find out if we had everything we needed for the baby. This is when a covered white verification list is very useful! Most people prefer to wait for the baby bath before buying all the things you need for a newborn baby. Others, like me, can not withstand some purchases before the event. Anyway, you can use my printable baby list as a guide to your baby record, or find out what remains after receiving all the gifts. And do not forget that you do not have to buy everything new! Clothing and second hand items are a perfect sole too for a new baby. You will not believe how easy to find things in new conditions for a newborn! If you are having a baby tea and / or creating a baby record, make sure you look at the amazon's incredible record of the Amazon baby, super easy to set up and includes a free welcome box for the parents, as well as a 10% chance discount on the items left in their registration (15% discount for the main members). >> Create your baby record on Amazon here > Amazon bath toys here > Bath Knoeler and elbow rest on Amazon here
