## Do dominos do lactose free cheese

Updated 2021! Domino's Pizza is one of the largest pizza chains with thousands of locations worldwide. They rebranded to just Domino's several years ago since they now offer much more than pizza.Domino's is based in the U.S., where the majority of their shops are located. For that reason, the list below covers the United States. However, we've also included allergen information and links for Canada and Australia in this post. They do have some different offerings!No Dairy (Milk-Based) Ingredients (see disclaimer below)Menu ItemsChicken – Plain Boneless Chicken, Plain Wings, Honey BBQ Wings, Hot Buffalo Wings, Sweet Mango Habenero WingsDipping & Wing Sauces – Garlic, Honey BBQ, Hot Buffalo, Marinara, Sweet Mango HabaneroBuild Your Own Pizza, Pasta, Salad, or Sandwich (no cheese!)Pizza Crusts – Gluten-Free Crust, Thin CrustPizza Sauces – Honey BBQ Sauce, Hot Buffalo Sauce, Pizza Sauce (NOT Marinara), Robust Inspired Pizza Sauce, Sweet Mango HabaneroMeat Toppings – Anchovies, Bacon, BBQ Chicken, Beef, Boneless Chicken, Ham, Italian Sausage, Pepperoni, Philly Meat, SalamiOther Toppings – Banana Peppers, Black Olives, Crushed Red Pepper, Garlic, Garlic & Herb Shake-on, Green Chile Peppers, Green Peppers, Green Olives, Jalapeno Peppers, Mushrooms, Onions, Oregano Blend Shake-on, Peppercinini, Pineapple, Roasted Red Peppers, Spinach, TomatoesSalad Dressings – Balsamic, Fat-Free Raspberry, Italian, Kraft CatalinaMiscellaneous – Corn Meal, Phase Oil (Butter Flavored Oil), Pasta Penne, Sandwich BreadOther Allergen NotesDomino's hasn't introduced a dairy-free cheese alternative yet, so ordering cheese-free is a must.The Brooklyn-Style, Handmade Pan, and Hand Tossed pizza crusts each contain dairy.Some dairy surprises include their Hearty Marinara Pasta Sauce, Croutons, Garlic Oil Blend, Premium Grilled Chicken, and Specialty Chicken.As with any restaurant, potential allergen cross contamination is a concern, and locations can vary. If needed, make sure the staff can accommodate your needs before ordering. A lot of cheese and wheat flies in those kitchens!Australia: in 2018, Domino's Australia reportedly added vegan cheesy garlic bread to their nationwide menu with Follow Your Heart dairy-free cheese. They also offer a range of vegan pizza options.More Details from Domino's PizzaAllergen Disclaimer from Domino's Pizza: Domino's pizza made with a Gluten Free Crust is prepared in a common kitchen with the risk of gluten exposure. Therefore, Domino's DOES NOT recommend this pizza for customers with celiac disease. Customers with gluten sensitivities should exercise judgment in consuming this pizza. Domino's menu items are prepared in stores using a common kitchen. As a result there may be cross contact between allergens. Customers with an allergen concern should exercise judgement in consuming Domino's menu items.Restaurant Website: www.dominos.comAllergen Information for the United States: www.dominos.com/en/pages/content/nutritional/allergen-infoAllergen Information for Canada: www.dominos.ca/assets/build/market/CA/\_en/pdf/Canadian-Nutrition-Guide-Final-Secure.pdf\*The above information was supplied by the corresponding restaurant via their website, customer service, or other published nutritional information. Otherwise a great way to have dairy free pizza.AMResponse from Go Dairy FreeI'm not sure what seasoning you are referring to, but their Oregano Blend Shake-On, that is sometimes referred to as seasoning, is made without dairy. It's on the topping list above. If you are referring to something else that is new, please send us an email -> 28, 2020I order my pizza without cheese. Have never had a problem with stray cheese finding its way on my pizza. Personally, I don't want fake cheese, processed garbage, on my pizza. The crafters often mention how beautiful my veggie, no-cheese pizza is.VeeDairy free cheese pleaseJanuary 5, 2020You get 5 stars when your pizza offers dairy free cheese for my kid and myself. We are hoping to finally find that place that offers us "normal" pizza in every other way. Too many dairy free pizzas are gluten free or cauliflower crust.
