Cast & crewUser reviewsTrivia HATERS will tell you it's not great because of the messageThis movie was full of emotion. Both actors were strong, and the storyline flowed. I think people who give it trash ratings most likely don't like the issue presented in the movie, which is police brutality among African Americans. I think they are giving it low ratings because it makes them feel uncomfortable. Half of them probably never even saw it!chickenfolifeNov 30, 2019Suggest an edit or add missing contentBy what name was Queen & Slim (2019) officially released in India in English?AnswerYou have no recently viewed pages
