## Pet orphanage near me

10/10/2017

Orphans of the storm is open by appointment only. Walk-in availability is extremely limited. To make an appointment online, please click the link below or call us at 847-945-0235. **BOOK NOW** We currently have capacity limitations so we ask that you call to make an appointment only if you are interested in adopting. Thank you for your understanding and support. Orphans of the Storm Tues., Fri., Sat. adoptions@petorphans.org (818) 901-0190 ext. 112-3 pm Subscribe to our mailing list and receive updates for major events and other news from Priceless Pet Rescue. Adoptions are done on a first-come, first-served basis and can only be completed in person at our adoption facility after having met the animal in question. You can fill out an application via our website ahead of time to speed up the process, but filling out the application is in no way a guarantee that a particular animal will be available for adoption at the time of your visit. We do not hold animals for adoption under any circumstances. We do not have phones at our facilities, so the best way to get ahold of someone is to come in person to meet the pet you are interested in or inquire about a specific animal. All of our dogs fall into 3 categories: 1 - Dogs at our adoption center. To adopt these dogs, it's as simple as showing up to meet them, making a connection, and filling out the necessary paperwork. We encourage you to bring your current dog with you to be sure that they also get along well with your new pup. If it all works out, and you make a connection, you can take the dog home with you the same day. 2 – Puppies. Puppy Lottery Procedure Due to the high demand for puppies, we will choose potential adopters using a lottery system. Here are step by step instructions: 1. Come by our facility on the date of adoption (listed in bio) between 11:30a-12:00p. Due to our limited outdoor space and COVID-19 social distancing restrictions, please stay in your vehicle and do not approach the adoption center until this time frame. People who block our neighbor businesses will be automatically disqualified. 2. Between 11:30am-12:00pm, come to the front of the adoption center where one of our volunteers will write down your name and phone number. We will be doing a list for each litter. Each family can only sign up for one litter. After giving your information, please return to your car to wait. 3. At 12:00pm, Priceless Pets staff will randomly draw names inside the building with no outside parties present. We will select as many people as we have puppies and will contact the winners of the lottery between 12:00-12:15pm. If you are not called by 12:15pm, unfortunately, you were not selected and can leave or request to meet one of our other available, non-lottery dogs. (All available pets are listed on the website) 4. Winners will be called and asked to come into the building one family at a time, in the order they were drawn, to adopt their next best friend! Since families will be called in one by one, please wait in your car until it's your turn to come into the building. \*\*If all puppies are not adopted or if applicants are denied, there will be a second wave of calls for adoption.\*\* *!!! FAQ !!!* Q: Where can I find the application? A: Click on the name of the pet you are interested in, then clinic on "apply for adoption" on the right hand side under the pets picture. Q: Can I adopt two puppies from the same litter? A: No, it is Priceless Pets' policy to only allow adoptions of one puppy per litter per family. Q: What is needed from me to adopt a puppy? A: There is an on-line application you can find on our website and additional paperwork that needs to be completed in the center before the interested person/persons take home any of the puppies. Please make sure that you have checked with your landlord to ensure you are able to have animals at your home and bring proof with you on the adoption date. Proof can be your signed contract, email from the landlord, etc. It must be written consent. Q: What is the donation fee and what is included? A: The donation for all puppies is listed on the website next to their biography, which includes rabies, microchip, puppy vaccines, deworming, and spay/neuter. If the puppy is 8-9 weeks (as most of our puppies are) a voucher will be given for the rabies and neuter/spay to take place when your puppy is 4 months old. The cost is covered by our organization and you sign a contract stating all of our puppies must be spayed/neutered by 6 months old. Due to the high demand for puppies, please note that Puppy Adoption Days are always stressful for the adoption managers, volunteers, families, and pets at our adoption centers. After much trial and error, we found that the lottery system is the most fair way to choose potential adopters. We greatly appreciate your patience and understanding during this process! We try to make it as seamless as possible as we know that bringing a new family member home is such a wonderful, life-changing experience. We have many adorable, loving pets at our adoption centers waiting for their forever homes – perfect for those who would like to skip the potty-training, shoe-chewing, cry-all-night antics of tiny pups. Please take a moment to check out our other available pets on our website. 3 – Dogs in foster care. If you see a dog on our website that is listed as in foster care, that means they are not at our adoption center. If this is the case, you'll need to email us with the name of the dog you'd like to meet and when you'd like to come by, and we can arrange for the dog to be there at that time. Cats: If you see a cat listed on our website, that cat is at the adoption center indicated on the "location." You will see the location noted next to their name, and in their profile. Please check the available date next to their description in their bio as well on the website as some of the cats are waiting in foster homes until they come to our adoption centers on a specific date. We are doing a first come first served adoption process on all of our cats and kittens. Rabbits and small pets: If you see a rabbit or small pet listed on our website, that pet is at the adoption center indicated on the "location." You will see the location noted next to their name, and in their profile. Please check the pet's description in their biography on the website as some of the small pets who are waiting in foster homes have special instructions on how to meet them! We are doing a first come first served adoption process on all of our rabbits and small pets! Come in anytime we are open to meet any pets currently at our adoption centers, no appointment is necessary to come in. If you see a pet that is no longer listed on our website, it has likely been adopted. Please check the website for updates before driving long distances!
