Cathy returns to Julian after showing the respect to have abused him and she helps get Giuliet's role by putting the broken glass in the original dancer shoes. Cathy agrees to let Carrie remain with her and Julian to escape the relentless bullying at school. During the ballet, Chris Capture Julian Touching Carrie and a violent clash follows. Julian guide out and Cathy goes with him. Cathy reveals that she is pregnant of the son of Giuliana, who causes a guide to Julian have an accident. Julian Dies and Cathy are injured, but live. Ten months later, after her son's birth, Jory, Cathy opens her ballet school. Carrie meets and fall in love with a local minister named Alex, who proposes. Carrie is not sure to be the minister's wife, remembering grandmother's statements about her like her and her brothers are wicked abominations, but Cathy tells her to forget the past and look towards the future. Carrie's meetings run at a charitable meeting and invites you to marriage, but I rely to her cardie as her daughter. The next morning that Cathy and Chris find that Carrie has committed suicide from suicide consuming donuts to poison (the same technique that she was used to kill her twin). Cathy vauta revenge on their mother of assassination, despite Chris to convince her strongly to talk to her. You publish the husband of Corrine Bart Winslow as her lawyer of her, under the push of relaunching the seal of Sheffield, with the intent of seducarlo. Bart is immediately attracted to you and start a relationship. Pressured from the head of him, Chris proposes Sarah and she accepts. However, the day before the marriage, Chris admits to Cathy, she still loves him and doesn't want to marry Sarah. Cathy tells him that while she still loves him, she wants him to move with her life, since their relationship can not lead to anything. Despite this, the two end up sharing a passionate kiss. Sarah walks and, horrified, she ends her's commitment to Chris, who is fired from her work as voices of the widespread incestuous relationship. Chris asks Cathy to bring Jory and start a new life with him in California, where nobody will meet them. However, Cathy reveals that she is pregnant of Bart's child and she intends to finish what she started. Chris decides to go with her to finally face their mother and wind up in Foxworth Hall on Corrina's Christmas party day. Cathy meets her grandmother of her and the confrontation of her religious hypocrisy and abuse her towards her and her brothers. Helped, Olivia tells her that while she can leave the family, she may be "Devil's spawn". During the party, Cathy reveals her identity of her and her mother crimes of her to stunned guests. Corrina initially denies everything, but Bart is suspicious and Olivia refuses to defend it. Corrina finally admits everything, but insists that she never intends to kill Cory or that the children have put in the ceiling, defending her actions of her on the base that she father of her would reject and left all of them from her will want to. Cathy then publicly reveals the pregnancy of her caused by Bart. Corrina blamed Olivia to force her to put the children in the attic. Olivia counters that children are abominations and did not deserve to live. She gives you a trunk of the old goods of her, who when opened reveal the skeletal remains of Cory. Corrina has a mental break and sets her bed and her mother in flames. Bart falls to save Olivia, but both die in the flames. Cathy and Chris Escape and Watch Foxworth Hall burn on the ground. Six years later, Cathy and Chris are now married and lived happily in California with Jory and Bart Jr. under the last name Dollarganger. [2] It was also announced as a writer Kayla Alpert that the film would take place ten years after flowers in the attic, while the book has collected directly after the events of the first. [3] [4] Alpert said that she began working on the script for the wind petals, shortly after finishing the script for the first film. [5] The executive producer Michelle Weiss said that adapting the wind petals in the film is revealed more difficult than the first did. She said that while Flowers was contained a story that took place in one location, *Petals* is a bigger room, more stories and takes place during a longer period of time. The biggest challenge has been to contain the story within a time content. She also said that the film takes place in the southern United States during the 70s. [6] Casting and filming *The January 28, 2014* It was announced that Heather Graham and Ellen Burstyn would have reprized their roles from the attic flowers as Corrina and Olivia Foxworth, respectively. [7] On February 18, 18 it was revealed that the Rose McIver had landed the role of Cathy Dollanganger, taking over from Kinan Shipka. [8] [9] During the same month, it was revealed that Wyatt Nash had been cast as Christopher; [10] Bailey De Young's role as Carrie was announced the following day. [11] McIver said that because of the hasty production of the film, she had only two weeks after his first audition to practice ballet for the role of her, before shooting started on February 25; This has left her unable to read one of her books. [12] As for the relationship of Cathy and Chris, said that both characters "know [their relationship]" *Taboo SA*, but no one else understands how you have each other "and because their shared trauma, it's hard for them to connect with anyone else. Nash has expressed a similar sentiment, believing that it is impossible for any of them to go ahead and live happy lives of each other. [13] the production for the film has been precipitated and actress Rose McIver, who portrayed Cathy, started to resume in February 2014, two weeks after attending her first audition, leaving it unable to read any of the novels before retracting the role. [14] Immediately after the filming was completed in March McIver began working on the television series *Izombie*. [14] [15] a new character, that of interest of Chris Sarah love, was created for the film and some portions of the book, in particular the Sexual relationship between Cathy and her adoptive father, were removed to condense the book for the film. By this choice, the director Kayla Alpert said: "After incest, we decided that we do not need pedophilia over it" and that part of the plot of the book had to be condensed for the film. [15] Release Reports In its original television writer, wind petals were seen by 3.42 million viewers and had a score of 1.2 in women 18 "49 age demographic, down 37 percent from 1, 9 of the 37% gain from the flower. [16] domestic Media September 16, 2015, was released as a DVD disc it was subsequently re-issued on June 23, 2015, with flowers in the attic as a "double function". On 10 November 2015 it was included in "4-Film Collection" with flowers in the attic, if there are spines and seeds of yesterday. [17] Reception petals on the wind in average 64 out of 100, based on four critics, on metacriticals, indicating "generally favorable reviews". [18] Variety examines the movie, film, That it "looks and feels like an urgent job, but improves its predecessor in almost every way". [19] The A.V. Club gave the film a rating of b-, as they considered that "tastes largely a bit underbaked to satisfy the promise of his third act, and lacks the strength of Ellen Burstyn as his central figure, but there is e s enough of all-out taste VC Andrews to make this episode worth a visit to those who want to reach with a family of soap people 30 years of work. "[20] Entertainment Weekly described the film as 'silenced', in a similar way At the first, and stated that the actors should not have taken the material seriously as they did. Despite this, they found that the film had numerous cases that or satisfy or overcome "ridicule level" of the book. [21] Sequel on the first petals on the wind.
