The true life story of Tina Turner

The thrilling live footage in Tina reveals what was really left behind from that era: a lot of memories of nights when the Revue brought the house down. Full review (Tina) offers an illuminating take on her complicated trajectory while humanising the larger than life diva. Full review A definitive portrait... Full review Simply the best. Full review It's a crowdpleasing tale of triumph over adversity... Full review It's only fitting that a woman who has spent so much of her life being controlled and misrepresented should finally get to tell her story her way. Full review Yet what the new material effortlessly establishes, with judicious contributions from the 81-year-old star, is how the repugnant violence meted out by Ike came to define every aspect of her. Full review It is a tale that really does go river deep, mountain high. Full review I went into "Tina" feeling like I knew this story in my bones, but the film kept opening my eyes... Full review "Tina" doesn't just tell you all about Tina Turner. It makes you feel like you know her, personally, and it gives you some sense of what it was like to live her life. Full review Tina (2021) is available to stream in New Zealand now on Google Play and Apple TV and AroVision. Tubi is the largest free movie and TV streaming service in the US. Or you can watch on your computer via the Hulu website. "TINA" Preview TINA (2021) Official Trailer | HBO Get to know the woman behind the name: TINA is a revealing and intimate look at the life and career of musical icon Tina Turner, charting her improbable rise to early fame, her personal and professional struggles throughout her life and her even more improbable resurgence as a global phenomenon in the 1980s. In addition to... 2021-03-10T16:00:03Z From Oscar-winning directors Dan Lindsay and T.J. Martin, and production company Lightbox comes "TINA," a "a revealing and intimate look at the life and career of musical icon Tina Turner, charting her improbable rise to early fame, her personal and professional struggles throughout her life and her even more improbable resurgence as a global phenomenon in the 1980s," according to the HBO press release. It continues: This unvarnished, dynamic account features insightful interviews with Tina herself, conducted in her hometown of Zurich, Switzerland, and with those closest to her. It also features a wealth of never-before-seen footage, audio tapes and personal photos, telling a deep and absorbing story about the queen of rock 'n' roll in all its complexity. In the fall of 1981, struggling to gain meaningful momentum in her career, Tina Turner sat for an interview with Carl Arrington, the music editor of People Magazine. Five years earlier, she had filed for divorce from Ike Turner, her husband and musical partner for over 16 years. Together they had climbed the charts and made musical history with their hits "A Fool in Love," "River Deep - Mountain High" and "Proud Mary." Off stage, they appeared to have a healthy marriage and family life. The story she would tell Carl was an honest and harrowing account of the abuse and torture she had suffered through during her marriage, and the brave escape she made after years of

trauma. The article would be the first of many profiles that would cement Tina's image as a survivor, helping to fuel the story of her extraordinary yet improbable career comeback. Having lost everything but her name in the divorce, Tina spent several years in Las Vegas, performing in cabaret clubs and appearing on television variety shows. In 1983, at the age of forty-four, she recorded the album "Private Dancer" in just two weeks and it quickly became a commercial and critical sensation. Her single "What's Love Got To Do With It" became her first and only number one hit on the Billboard 100 charts. Tina 2.0 had arrived. "Private Dancer" sold over 12 million copies worldwide and cemented Tina as a bona fide superstar. She performed with Mick Jagger at LiveAid, won a slew of Grammys and wrote a best-selling autobiography, "I, Tina." In 1988, Tina performed to a record-breaking crowd of 180,000 people in Brazil. By 1993, a feature film was made about her life, starring Angela Bassett as Tina herself. As her fame grew, so did her identity as a cultural symbol, becoming a representation of strength and resilience to her fans. Privately, she wrestled with the survivor narrative that shaped her later life and career and struggled to be released from her past. In addition to a stunning amount of archival footage spanning 60 years, the documentary includes interviews with Angela Bassett; Oprah Winfrey; journalist Kurt Loder who co-authored "I, Tina," which inspired the feature film; playwright Katori Hall, who scribed "Tina - The Tina Turner Musical"; and husband and former record executive Erwin Bach, among many others. The documentary ends on Turner on the opening night of the Broadway musical that is based on her life. It premieres Saturday, March 27 at 8 p.m. ET/PT on HBO. Comment Here With a career that's spanned six decades, it's understandable why fans want to know how to watch Tina Turner's documentary online for free to relive the Queen of Rock 'n' Roll's legacy in the music industry. Tina, which premiered on HBO on March 27, 2021, follows Turner's 60-plus-year career, from the release of hit songs like "Proud Mary" and "River Deep - Mountain High" to her life now. The documentary, which also includes interviews from Turner as well as celebrities like Angela Bassett and Oprah Winfrey, is said to be a companion piece to Turner's 2020 memoir, Happiness Becomes You. "In a way, this book is like a parallel, behind-the-scenes story to the new HBO documentary, called Tina, about my life and career," she told TODAY at the time. "I'm so excited about the film, and hope it inspires viewers to never give up on their quest for happiness." In an interview with Entertainment Tonight, directors Daniel Lindsay and T.J. Martin explained how the documentary "reclaims" Turner's identity after her split from her ex-husband Ike Turner in 1978 and her marriage to her current husband, Erwin Bach, in 2013. "I think this film is just scratching the surface of the depths of the trauma and also the heroic deeds that she did to take herself out of [a bad partnership]," Martin said. Lindsay added, "In meeting Tina there's definitely a difference between the Tina onstage and the Tina offstage, just like any performer, right? But there is definitely a command of her space and herself. You feel the fact that a star has walked into the room, but at the same time, she is very down to earth." There's no doubt that Turner is a household name in the music industry. Now, her legacy will forever live on with HBO's new doc. Ahead is how to watch the Tina Turner documentary online for free. 'Happiness Becomes You' by Tina Turner \$17.89 Image: Atria Books. How to watch Tina Turner's documentary online for free HBO Max, where Tina is available to stream, unfortunately doesn't have a free trial. Still, there are still a couple ways to watch Tina Turner's documentary online for free. Read on to find out how to do that. Hulu With HBO Max While HBO Max doesn't have a free trial, customers can still try out the service for free via Hulu's HBO Max free trial. The service allows users to try both Hulu and HBO Max for free for seven days, which is more than enough time to watch Tina Turner's documentary online for free. Just be sure to set a reminder to cancel your subscription before you're charged. After the trial ends, the service will cost \$14.99 to add HBO Max to one's Hulu account. Watch 'Tina' on Hulu With HBO Max \$5.99+ AT&T Free Subscription If you're an AT&T customer (or know someone who is), you may be eligible for a free HBO Max subscription. The first step is to check if your AT&T plans includes a free HBO Max subscription. Eligible plans include: AT&T Unlimited Elite, AT&T Unlimited Plus, AT&T Unlimited Plus Enhanced, AT&T Unlimited Choice, AT&T Unlimited Choice II, AT&T Unlimited Choice Enhanced and AT&T Unlimited &More Premium. If you have one of these plans, you're eligible for a complimentary HBO Max account. There are FAQs with instructions on how to claim your free HBO Max subscription here and here. Watch 'Tina' on HBO Max \$14.99 Our mission at STYLECASTER is to bring style to the people, and we only feature products we think you'll love as much as we do. Please note that if you purchase something by clicking on a link within this story, we may receive a small commission of the sale.
