Book specialists are standing for Monday-Friday 8-5 PST, ready to help! The secret language of relationships illuminates and the mystery of human relations in its many forms. Created by Gary Goldschneider and Joost Elffers, this fascinating work is the volume of companions to their bestselling The secret language of birthdays, which introduces "personology", or the study of personality types based on the theory that people born the same day or even in the same week share unique characteristics. More detailed than the traditional astrology of the sun, with its twelve signatory personalities, the personology divides the year into forty-eight "weeks" and describes the specific character trait for those born during those periods. The secret language of relationships presents relationship profiles between two individuals based on their period personalities and answers to questions: what would happen if these two types of person were joined together, their energies merged into another different entity?. What would be the traits of this third new energy?. is everything truly greater than the sum of their parts? Gary Goldschneider (b. May 22, 1939) is a bestseller author of books of personology and astrology. Gary grew up in Philadelphia and now lives in Amsterdam. He is an active concert pianist and composer besides being an astrologer and world-renowned personologist.
