onomatopoeia? 200 "...with me moving around like one foot was nailed to the porch." page 30 What is simile? 200 "Glub, glub glub." What is onomatopoeia? 300 "...he had more knots and bumps on his head than a dinosaur." page 4 What is metaphor? 300 "...takin' him around like a circus freak." page 25. What is a simile? 300 "...dead as a donut." page 39 What is simile? 300 "Lemme!" Whack! "See!" Whack! "Them!" Whack! "Gloves!" Whack! "Young!" Whack! "Fool!" WhackWhackWhack!" What is onomatopoeia? 300 "The whole upstairs smelled like a giant match..." page 66 What is simile? 400 "Laughing only encouraged dad to cut up more..." page 4 What is imagery? 400 "...he was smiling a mile a minute." page 29. What is a hyperbole? 400 "Maybe it was a lot easier for a bunch of angels to get a million dinosaurs to heaven then it was to get the saver of the whole world." page 41 What is hyperbole? 400 "...Byron was the Indians circling, waiting to attack." page 50 What is metaphor? 400 "Momma's horrible snake-woman voice came out again..." page 73 What is metaphor? 500 "... heard it's colder than inside an icebox." page 5 What is metaphor? 500 "...country corn flake..." page 30. What is a metaphor? 500 "Momma's throat choking peanut butter sandwich..." page 34 What is imagery? 500 "I bet we looked like the solar system..." page 51 What is simile? 500 "Momma's voice got strange, hissing like a snake." page 68 What is simile? Click to zoom Our Watsons Go to Birmingham Figurative Language contains many examples for learners to examine.SUGGESTED ACTIVITY IMPLEMENTATIONLearners will analyze various passages from the story and determine which kind of figurative language is used. Learners will have to identify, compare, and analyze the phrases in a number of different exercises.Learners will analyze . . .★ They will need to analyze 64 quotes from the text and determine which of the following figurative devices it is:* Simile* Metaphor* Idiom* Hyperbole/Litote* Analogy* Personification* Onomatopoeia* Symbol★ 32 Figurative Language quotes from chapters 1-2★ 32 Figurative Language quotes from chapters 3-6TEXT: THE WATSONS GO TO BIRMINGHAM by Christopher Paul CurtisLEVEL: 4th-8thCOMMON CORE: CCSS.ELA-Literacy.RL.4← Based off the 1998 Edition [ISBN: 978-0-590-69014-0].→ Meets Common Core Standards→ Easy to differentiate for different learning levels: Honors, 2nd language learners, and SpEd→ Perfect novel to teach during Black History Month.→ Suggested Answer Key Provided!Enjoy! And remember, changing the law of the land does not always change the way people behave..... Get the Digital Distance Learning version of this activity. Save \$\$\$ and buy the bundle. → → Print Version → → Digital-only Version → → Combo Version → → WHAT OTHER TEACHERS ARE SAYING ABOUT THIS FIGURATIVE LANGUAGE RESOURCE♥ This was a truly great unit on figurative language and how the author applied it. This matches the standards perfectly. The students may need to look up figurative language terms or the teacher may need to review them. This would work especially well for a review of those terms. We had constant debates about the answers. For example, the answer key would say analogy while students would disagree. I let them prove their points and then some students would defend your answers. That was a fun and challenging activity!!♥ Figurative language is such a major part of literature and to have it broken down in this manner is excellent for helping students to understand the concepts and remember them. Nice way of students looking for examples of figurative language beyond poetry examples. It provides a good amount of differentiation. ♥ A good resource to expose students to various types of figurative language. We have had some great conversations on a few that could have more than one answer. I like it because the sentences are taken directly from the book. Your students will have it mastered by the end of the novel. Great job!♥ This proved to be a great way to get my students to analyze the text and prepare them for an essay on the use of figurative language. There were enough quotes from each part of the story that I was able to use some in class with everyone and save some for students who needed extra practice. My students love trying to identify the correct type of figurative language.♥ I used this resource as an extensive activity after my class had read the book. A majority of my students are EL, so figurative language is difficult for them to spot. The many examples in this excellent product gave them lots of practice applying what they know about the different literary devices. Thanks for all the work you put in to create this helpful resource!.....OTHER THE WATSONS GO TO BIRMINGHAM JOURNEYS→ Digital 1:1 Complete Unit→ For-Print Complete Unit→ Digital-Print Combo UnitOUR VAST NOVEL UNIT LIBRARY→ We've got 35+ more complete novel units for you, ready to save you precious time and sanity so you can have your life back to do what you do best... teach!POETRY UNITS→ Poetry Unit Complete PowerPoint and Packet - Genres, Forms, Techniques, DevicesBored w/ Teaching GRAMMAR? → Introduce your learners to The Grammar Ninjas! The Watsons Go to Birmingham - 1963 essays are academic essays for citation. These papers were written primarily by students and provide critical analysis of The Watsons Go to Birmingham - 1963 by Christopher Paul Curtis.
